Admission Policy

Saint Anthony College of Nursing (SACN) conducts its program and implements policies on a non-discriminatory basis with respect to race, age, religion, gender, national origin, marital status, military service, status upon military discharge, disability or handicap, and creed.

The Board, administration, and faculty affirm that all students in the College of Nursing MSN degree program must possess intellectual, physical, ethical, emotional, and interpersonal capabilities necessary to complete the MSN degree and to achieve the levels of competency required for safe professional nursing practice. Disabled individuals who apply to Saint Anthony College of Nursing are considered on an individual basis and in compliance with state and federal laws. The College cherishes its right and duty to seek and retain individuals who will make a positive contribution to all aspects of the College Mission.

The College may accept Students-at-Large (SAL) wishing to enroll in courses non-pursuant to a degree. Acceptance as a SAL does not guarantee admission into the degree program. If a SAL later wished to pursue degree seeking status in the Saint Anthony College of Nursing the student must apply according to the MSN degree program admission process. Credit earned as a SAL will be considered should the student pursue a degree at Saint Anthony College of Nursing. A maximum of 10 SAL graduate credits from SACN may be applied to the MSN requirements.

Students at large are subject to College policies and regulations. Tuition and fees for students at large and degree seeking students are the same. Title IV Financial Aid is not awarded through the College of Nursing to non-degree seeking students.

Any student who wishes to enroll in a clinical course must meet health, insurance, and CPR requirements. Clinical students are expected to meet clinical competency requirements.

Students who wish to enroll as a student-at-large must submit a completed Student-at-Large application and submit a \$50 *non-refundable* tuition deposit. Official transcripts documenting required prerequisites are to be sent directly to the College. Priority registration is given to degree seeking students.
