

## Saint Anthony College of Nursing – Data Report (2016-2017)

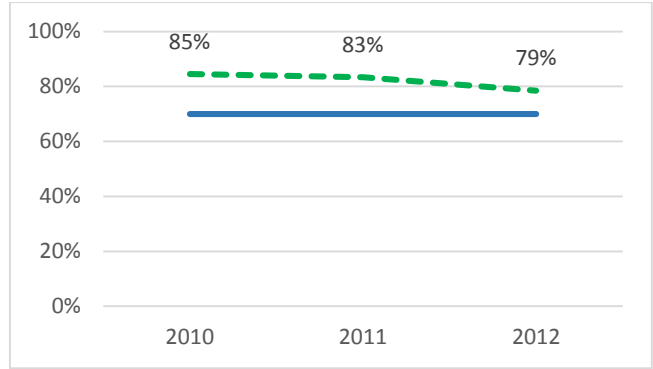

### Program Retention & Completion Rates

#### BSN (all)

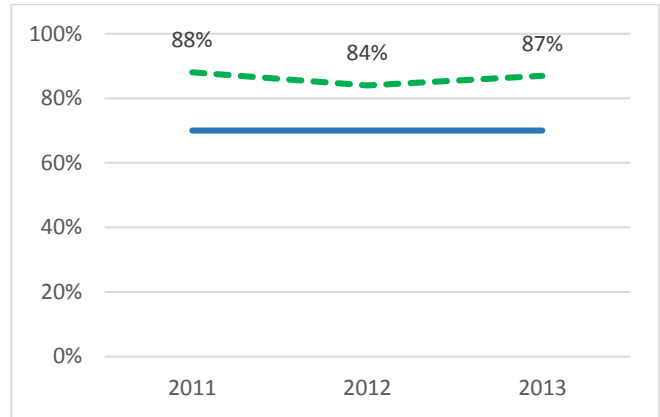

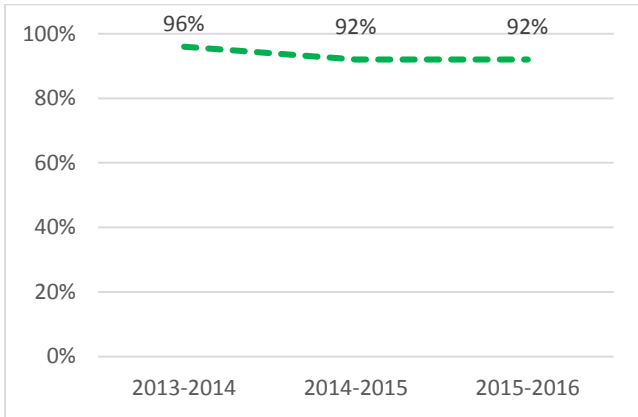

Retention

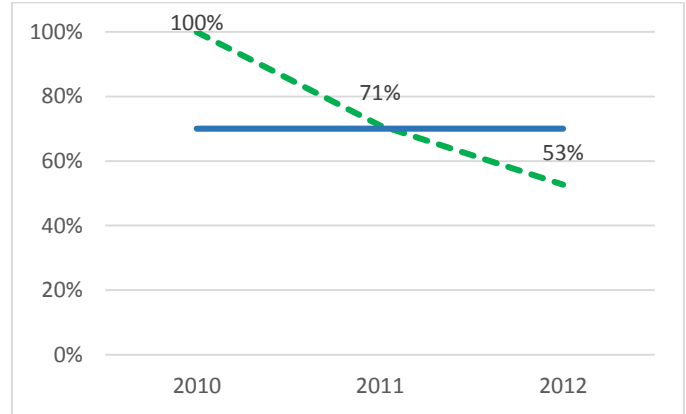

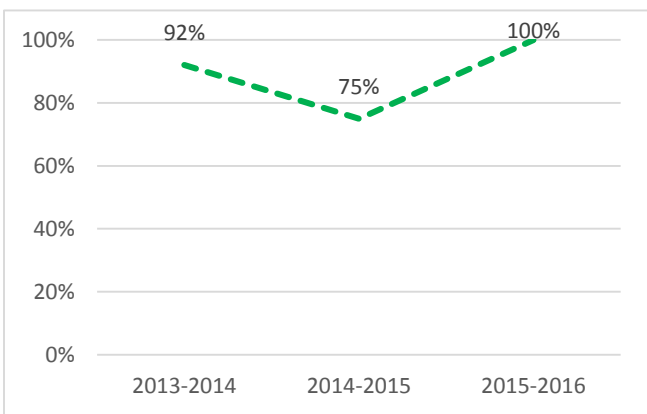

Completion

#### Pre-licensure BSN

#### RN-BSN

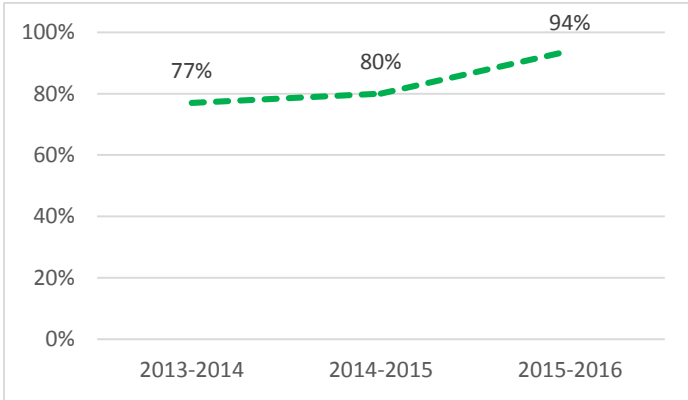

Notes. Retention rates calculate percentage of students who started in Summer/Fall/Spring of academic year that are still enrolled in the subsequent Fall semester. Program completion rates are 150% time to graduation for the three most recent calendar years. 150% for pre-licensure BSN: 3 years. 150% for RN-BSN: 3.5 years. Blue line indicates goal percentage (70%).

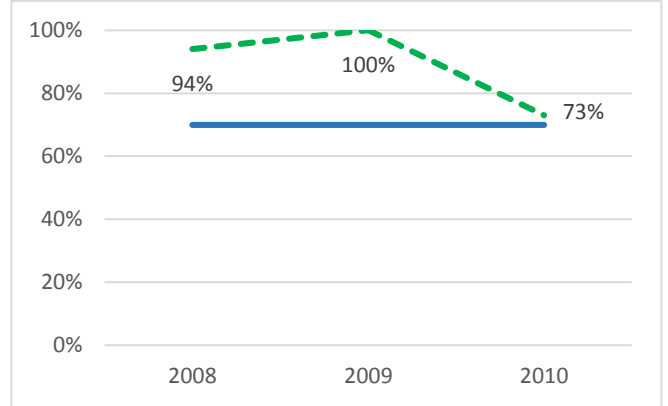

**Program Retention & Completion Rates (continued)**

MSN

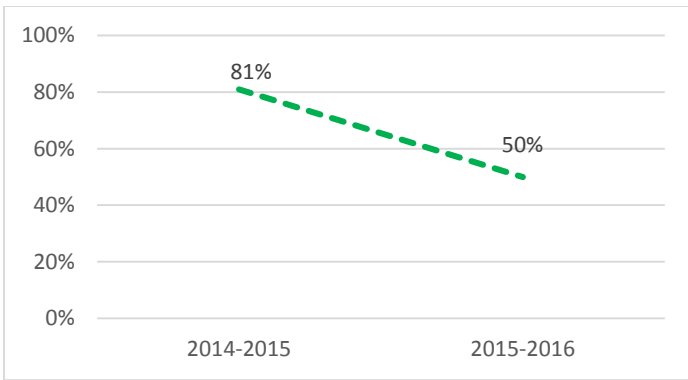

Retention

Completion

DNP

Notes. Retention rates calculate percentage of students who started in Summer/Fall/Spring of academic year that are still enrolled in the subsequent Fall semester. Program completion rates are 150% time to graduation for the three most recent calendar years. MSN program length is 4 years; 150% time to graduation is 6 years. DNP program started in 2014. Blue line indicates goal percentage (70%).
